

**International Committee for Animal Recording (ICAR)
Membership Application for Full Membership**

Please complete this application and mail two copies to:
ICAR – Via Savoia 78, sc. A, int.3, 00198 Rome, Italy

As stated in the Statutes of the association, the objects of ICAR shall be to promote the development and improvement of performance recording and evaluation of farm animals. Such objects to be achieved through establishing definitions and standards for measuring animal characteristics having economic importance.

ICAR develops and establishes standards to define criteria to be applied consistently in the provision of recording and evaluation services, in the manufacture and supply of animal identification, performance recording and analytical devices and in testing of such and in analysis of animal products and performance for recording and evaluation purposes.

ICAR rules define basic principles of animal identification, registration of parentage, performance recording and genetic evaluation.

On the basis of sound scientific evidence, the ICAR guidelines recommend procedures and methods of animal identification, registration of parentage, performance recording and genetic evaluation.

“I declare to have read and accept the Statutes of ICAR, its International Agreement for Recording Practices, and the internal regulation on use of name and logos”.

"We apply for FULL membership."

Please provide a description of your organisation and your business activities:

Sheep and Goat Breeders Associations, which are non-governmental organisations, have been established in 80 provinces of Turkey according to the "Regulation of the Establishment and Services of Livestock Breeders Associations" in 2011. The Board of Central Association was formed by provincial associations. Associations are responsible for:

- establishing National Sheep and Goat Breeding Program of Turkey,**
- keeping all the related records for the National Sheep and Goat Breeding Program,**
- membership activities of sheep and goat farmers,**
- guiding livestock policies,**
- consultancy service,**
- keeping the herd book records and evaluate them according to the National Breeding Program, and etc.**

Please indicate the benefits and services your organisation seeks from becoming an ICAR member.

By becoming a member of ICAR, we expect to implement the international recording system for Turkish farmers, receive an international recognition, obtain the related publication and information, join subcommittees, working groups and task forces, and related meetings, etc.
