

International Committee for Animal Recording (ICAR) Membership Application for Associate Membership

Please complete this application and mail two copies to:
ICAR – Via Savoia 78, sc. A, int.3, 00198 Rome, Italy

As stated in the Statutes of the association, the objects of ICAR shall be to promote the development and improvement of performance recording and evaluation of farm animals. Such objects to be achieved through establishing definitions and standards for measuring animal characteristics having economic importance.

ICAR develops and establishes standards to define criteria to be applied consistently in the provision of recording and evaluation services, in the manufacture and supply of animal identification, performance recording and analytical devices and in testing of such and in analysis of animal products and performance for recording and evaluation purposes.

ICAR rules define basic principles of animal identification, registration of parentage, performance recording and genetic evaluation.

On the basis of sound scientific evidence, the ICAR guidelines recommend procedures and methods of animal identification, registration of parentage, performance recording and genetic evaluation.

"I declare to have read and accept the Statutes of ICAR, its International Agreement for Recording Practices, and the internal regulation on use of name and logos".
