Dear Mr. Burke,

Referring your invitation to organize the ICAR Annual Conference 2020, I am pleased to confirm that CRV would be honored to host the ICAR Annual Conference in 2020.

Our proposal is that we will have the venue in one of the cities in The Netherlands, which depends on the availability of accommodations and the distance to the places to be visited during the conference tour. Our first idea is to have the conference in Leeuwarden which is in the North of Holland. The attractiveness of Leeuwarden is that lots of professional farms are quite nearby as well as the Dairy Campus and dairy factories. In addition accommodation prices in Leeuwarden are attractive and the railway connection to Airport Schiphol is excellent (every 30 minutes a direct connection).

Upon your acceptance, CRV will establish a local organization committee (LOC) to manage the organization. This LOC will cooperate very closely with ICAR staff to set up the program and to discuss the program section topics. CRV anticipates that the Interbull open meeting will be part of the program.

Looking forward to your positive response,

Sincerely Yours,
