THE GLOBAL STANDARD
FOR LIVESTOCK DATA

1. President's Report : 2017 – summary:

Why we feel having global standards in livestock data is important?

- **A huge challenge: feeding the world**
 - In 2050 9 billion people need to be fed.
 - ICAR wants to help build a sustainable and resilient food supply for tomorrow's world.
- **A shared system for the benefit of all**
 - ICAR is there to create a smoothly running system with common rules and guidelines
 - A shared frame provides the basic requirements to produce in a sustainable, efficient way and to create value.
