RECOMMENDATION,

The Romanian Cattle Breeders Association "Bălțată Românească" Simmental type, headquartered in Hărman, Mihai Viteazu Street, no. 382nd, Brașov County, registered in the Register of the Brașov County Court under no. 55 of 2011, fiscal code RO28719379 dated 03.05.2011, represented by Mr. Bularcă Ioan Raul - chairman, recommends The Aberdeen Angus Romania Association, headquartered in Sibiu, Octavian Goga Street, no. 1, Sibiu County, fiscal code RO31168722, established by the Civil Decision no. 201/2012, represented by Mr. Gociman Ioan Teodor - Chief Technology Officer, to obtain the status of full ICAR member because:

- The Aberdeen Angus Romania Association is the only accredited association for the management of the Aberdeen Angus Herd book and the only holder of an authorized breed program for Aberdeen Angus breeds;
- The Aberdeen Angus Romania Association uses the ICAR guideline for the purpose of exercising the Official Performance Control Service for meat production;
- The Aberdeen Angus Romania Association has 900 Aberdeen Angus cattle farms affiliated with the Genealogy Registry, with a population of approximately 60,000 heads.

All the above mentioned aspects can represent a guarantee for the development and improvement of the Aberdeen Angus breed, here in Romania.

Yours sincerely,

Raul Ioan Bularca

Chairman of A.C.V.B.R.-SIM.
