16. In addition to the issues covered in the questionnaire in Part I above, please respond to the following statements and questions:

Response	Are you satisfied with your performance as a director? Why or why not?
1	Yes
2	Yes, but could use more time on the guidelines
3	Yes
4	Yes. I have managed to make myself sufficiently available to perform my responsibilities in the board.
5	I need to be better prepared for each board meeting
6	Sometimes not. Personally, I am not detailed enough in milk control topics and unfortunately I can rarely comment on them professionally. I feel the time for internal preliminary arrangements.
7	My performance should be better, unfortunately I am very time-limited due to the position I accepted within the Czech Republic in June 2022.
8	Yes, I feel that I play an active role in many of ICAR's fields
9	у
Response	Considering employment commitments, personal obligations and health status do you believe that you will be able to contribute to the Board and ICAR in the upcoming year?
1	Yes
2	Yes
3	Yes
4	Yes.
5	yes, I will be able
6	Hopefully yes
7	The current dual position is very time-limiting for me at the moment.
8	Yes
9	у
Response	What would help you better fulfill your obligations as a director in the upcoming year?
1	maybe more regular meetings with the Precident?
2	No special needs at this time.

3	Perhaps at the end of each board, to define the next agenda of the next board meeting
4	More lead time, more time.
5	see above
Response	Please list below three items that the Board should focus on as priorities for the upcoming year.
1	Strategic plan and key objectives, succession
2	new CE, new Chair of groups,
3	Recruitment of replacement CEO, succession and retention of corporate knowledge of staff
4	Get the future CEO up to speed. Better define roles for staff and subcommittee members on services. Develop new leadership to get involved with board, subcommittees, and working groups.
5	Difference between full members and associate members / Priority of upcoming months: Human ressources of ICAR (new CE/profile of new staff)/(R)evolution of data recording
6	Data comparability of milking robots; Stimulation systems for dairy farmers to participate in milkcontrol; Find ways to bring the large amount of data to the public and present it positively.
7	see answer - point 17
8	1.Sustainability 2.include in-line analyses and sensor data 3. update guidelines
9	define a vision for icar in 10 years from now
Response	Please identify any underlying concerns you may have regarding how the Board functions.
1	how to engage all board members
2	Na
3	Because most of our member organizations come from a traditional institutional tradition, the ICAR board can be accommodated with the status quo and not taking a more ambitious/bold vision.
4	Having some time without CE in the board meeting
5	none
6	With respect to the frequency of online meetings, it is for consideration whether it is reasonable to increase the current time limit of 60 minutes.
7	Focus; what and how to prioritize, new CE
Response	Please offer your suggestions on how the Board's organization or performance can be improved in the upcoming year.
1	preperation meetings CE (new CE)
2	Allow the new CEO to ask the tough questions and bring a fresh approach to the organization.
3	Define a first draft of the next agenda at the end of each meeting
4	Keep on the good work
