Dear Joao,

Re: Interbeef Research

I have pleasure in submitting the attached (copy attached) research proposal as has been agreed by the Interbeef WG at its meeting on (insert date). This proposal addresses the following points in relation to the use of data (in accordance with the Interbeef Rules for the Use of Data for Research – draft dated 3rd September 2012) that is to be provided by your group:

- the description of the requested data,
- the purposes for which the data is to be used,
- the publication or other arrangements for the dissemination of the research output,
- the utilisation of the research output, and
- the integrity and security of any data provided.

We now seek your agreement for the data to be released and the research to commence.

Yours sincerely

For Research Provider
