Modelo de Passaporte para Bovinos. Model of Passport for Bovine Animals

The front page is printed with the information in our Data Base, SNIRA

- (1) Present Owner Details. Identification number and correspondent bar code, name and address
- (2) Present Holding Details. Holding code and name, address and date of birth/arrival of the animal
- (3) Animal Details.
 Animal Identification Code and correspondent Bar Code
 Date of Birth and Sex
 Breed
 Color
 Dam's Identification Code
 Sire Identification Code
 Particular Marks
 Origin, EU or third country of origin

Other details may appear; Electronic Identification (IDE), Embryo Transfer (TE) and/or Artificial Insemination (IA), previous identification in case of imports from third countries (Id. Origem).

- (4) Transfers and Movements. Shows each and all previous holdings of this animal
- (5) Passport Printed by. Stamp of the Issuing Authority, Date of Edition and Signature of the Responsible

The back page of the Passport yields the animal/holding history health/disease status, certificate of tuberculosis, brucellosis and leucosis testing and all other veterinary diagnostic procedures performed by the veterinary services or an official veterinarian with date and result of the examination.

Modelo de Brincos para Bovinos. Model of Eartags for Bovine Animals

The primary eartag has the logo of the issuing country and competent authority, DGV.

The Identification Number, in this case reading PT 8 23 123466, with the last 4 digits always in bigger type size (3466), shows the country code of Portugal (PT), check digit (8), national number identifier (23) and the first 2 digits of the animal identification (12). Includes the bar code, for the whole eartag number with the numeric ISO country code of Portugal PT (620), 2 of 5 interleaved.

The replacement eartag has the same design as the corresponding primary eartag, except for the additional information on the number of fallen/duplicate cases, the square and the roman numeral inside marks its subsequent copies or version number, $\overline{\mathbb{I}}$.
